

CONFIDENTIALITY AND PROPRIETARY MATERIALS AGREEMENT

I will be receiving a copy of the e-book “The New IT” (the “Book”) by Robert Shereck and Richard Hopper (the “Authors”). In consideration of my receipt of the Book, and the password required to access the file containing the Book (the “Password”), I agree as follows:

1. Confidentiality. I agree to respect the confidentiality of the Password. I further agree not to disclose, transfer, or in any other way make known the Password to any third party whatsoever without the prior written consent of the Authors.

2. Proprietary Materials. I understand and agree that all materials, concepts, and information (“Materials”) presented in the Book, are the property of the Authors and are protected by copyright, trade secret and other applicable laws. I acknowledge that the Materials constitute commercially valuable, proprietary, confidential property of the Authors, the design and development of which required the investment of substantial effort, time and money.

All rights in the Book and the Materials are expressly reserved by the Authors. I agree not to reproduce, copy or otherwise duplicate, and not to distribute, lend or otherwise transfer, the Book or the Materials without the prior written permission of the Authors. I agree not to use the Materials in any way that would compromise the confidential and proprietary nature of such Materials.

I agree not to resell, reproduce and sell, modify and sell or repackage and sell the Materials. I agree that I will not use the Materials for any purpose other than my own personal use except with the prior written permission of the Authors. I agree not to deliver the Materials themselves, either reproduced or modified, or anything derived from the Materials, either orally or in writing, as part of any seminar, training program, workshop, consulting or similar business activity which I make available to my clients or to others without the prior written consent of the Authors.
